The South-East, the Central and Eastern Europe as well as the Commonwealth of New Independent States (Former Soviet Union Courtiers) are the principal and privileged geographical areas of our operations. We also have a strong geographical presence in the Mediterranean Region and since 2006 we have expanded our geographical presence in Africa by implementing short-term EU projects in the field of EU Programming as well as in the field of Public Finance. In 2007 we expanded our experience in South-East Asia and Latin America by implementing short-term projects in Bolivia and Vietnam respectively. In 2008 we have enhanced our geographical presence in Africa by implementing a long term project in Botswana. In 2009 we have been awarded a mid-term project in Saint Lucia, thus expanding our geographical presence in the Caribbean region.

We have a rich history of working in a plethora of countries such as Albania, Armenia, Azerbaijan, Belarus, Belize, Bolivia, Bosnia and Herzegovina, Botswana, Bulgaria, Carribean Region, Croatia, Cyprus, Czech Republic, DR Congo, Ethiopia, Egypt, EU 25, FYR Macedonia, Georgia, Greece, Hungary, Ivory Coast, Jordan, Kazakhstan, Kosovo, Kyrgyzstan, Lebanon, Lesotho, Lithuania, Malawi, Moldova, Montenegro, Poland, Romania, Russian Federation, Saint Lucia, Serbia, Slovakia, South Africa, Slovenia, Syria, Tanzania, Thailand, Tunisia, Turkey, Ukraine, Uzbekistan, Vietnam and Zambia.

For more information on our projects per region and per country, you can click on each region on the left.
